April 2024. Just two remaining. A stunning brand new home of about 1745 sq ft that forms part of this exclusive development of beautifully designed houses. Tucked away on a private driveway with a generous garden and garaging, this stylish property exudes quality inside and out with attractive external elevations and a showstopping interior. Constructed to the very highest of standards, the property features light and airy accommodation with superbly proportioned rooms that includes an outstanding open plan kitchen/family space and a separate lounge. All the bedrooms are comfortable doubles with two having designer ensuite shower rooms (three en-suite shower rooms with no 2).

All the properties have lovely landscaped gardens with porcelain patios and large, level lawned areas with an integral garage and off road parking for two cars plus visitors space.

A huge amount of care and attention has been given to the overall finish with top end appliances in the kitchen, bespoke German kitchens, Karndean flooring and aluminium triple track sliding doors from the kitchen/family room onto the sun terrace.
