The rear garden enjoys a bright, sunny westerly aspect and features a large patio area, raised beds, high level fencing and hedging, making it extremely private and secluded, as well as a large area of lawn and a summerhouse.

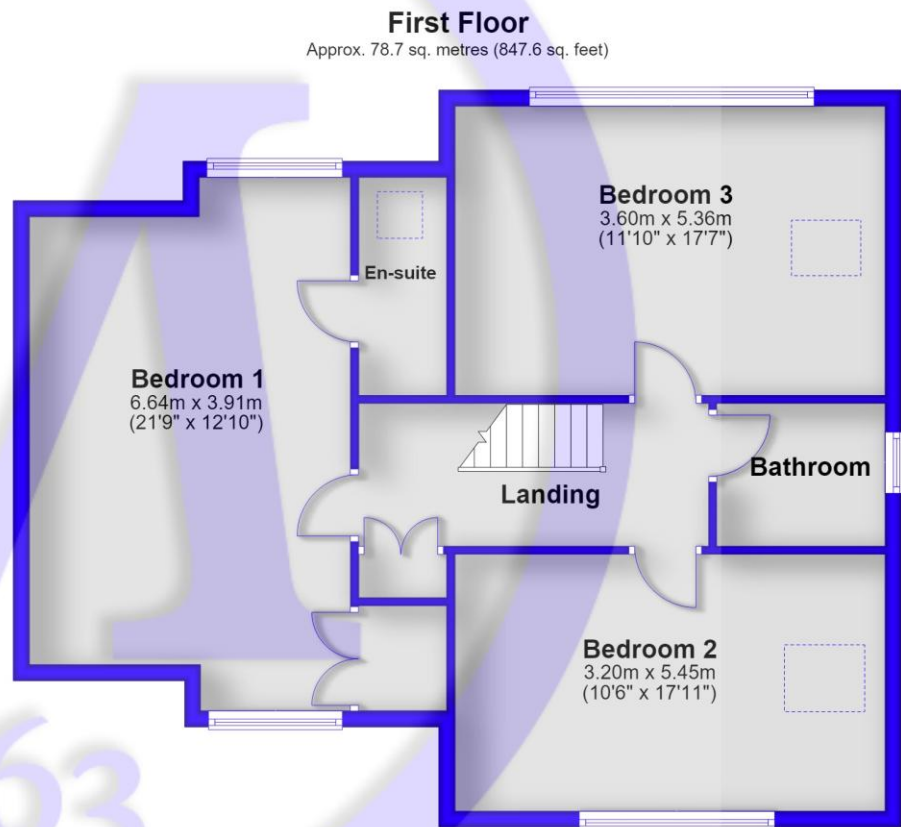

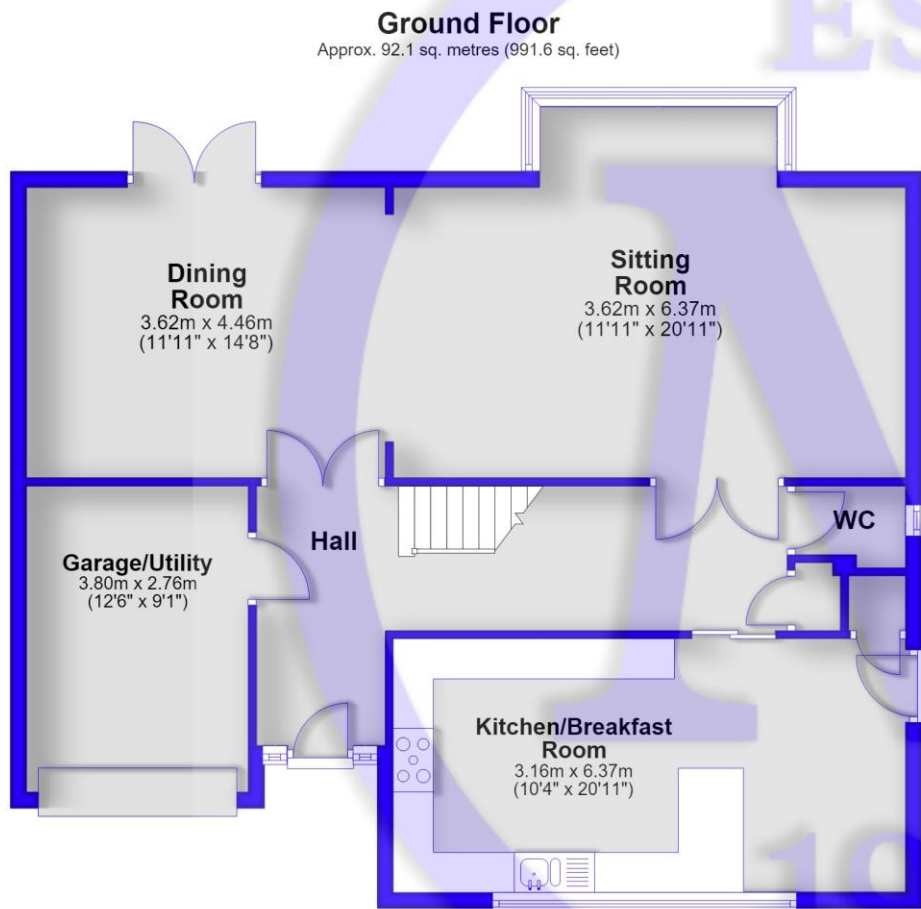

The integral garage is now three quarter length, with an up and over door to the front, power and light. It also benefits from a utility area with a worktop, a stainless steel sink with a mixer tap, and space and plumbing for a washing machine and tumble dryer.
