Completed in 2015, this fabulous home features designer fittings throughout with large, light filled rooms giving a wonderful feeling of space and a southerly facing rear garden.

Immaculate throughout with high ceilings and a crisp contemporary finish, this house is a real show stopper. The impressive entrance hall really sets the house off with a stunning oak staircase and polished porcelain tiling leading to the rear of the house with three large reception rooms. The ceiling height upstairs gives a fantastic lofty feel with two en-suite facilities and a family bathroom, all fitted out by Porcelenosa. The garden enjoys all day sunshine with an extensive sun terrace and there is also a very high quality detached garden building/studio which would make an ideal gym/home office/ancillary accommodation with plumbing and drainage for wc & handbasin.
