A gorgeous character home of about 1300 sq ft that offers very spacious accommodation and which carefully fuses the character features with modern, stylish fittings. The house is immaculate and enjoys an abundance of off road parking, detached garaging with a large sunny garden and recently laid sun terrace.

This lovely home has been carefully updated and skilfully extended on the ground floor and now features an outstanding open plan kitchen/dining/living room with a large roof lantern. This forms the hub of the house, whilst there is still a cosy sitting room with open fire and versatile split level reception hall that could easily be used as a dining room/library. This is a really smart property and oozes character inside and out.
